PARTNERSHIP OPPORTUNITIES

10:00 AM – 6:00 PM
LCCC Flextech Building

THE VISION: THE TRADE OF TECHNOLOGY

TekCon26 is a hands-on "Hacker Festival" tailored for the next generation of Wyoming's workforce. We are hosting **100+ students (Grades 7-12)** and public guests for a day of competitive challenges. Attendees won't just pick up brochures; they will splice fiber optics, defend a model city from cyber-attacks, and race to build computers.

Partnering with us connects you directly to the talent pipeline of tomorrow.
